STANDARD

Characterized by a 100% French manufacturing, Designheure offers various colors, available in stock, for all the models in each collection. Our standard products (references shown in the catalogue) are shipped within 8 days from the date of payment.

For each new collection launch, Designheure spreads systematically the complete range (table lamps, floor lamps, wall lights, pendant lights, chandeliers and ceiling lamps).

Our commitment is to offer the product of your needs, as long as you have been seduced by the design of one or another of our collections.

The flexibility and the freedom to instal our lights in order to fit the space available, allows you a great part of creativity.

CUSTOM MADE

The tailor made offer, reserved for projects, allows to create unique lamps, perfectly integrated into your concept.

By giving you the opportunity to customize our creations, the most extraordinary projects can be realized.

We provide 3D drawings of the collections for a perfect integration. We support you, sharing our experience, even if you keep control on the design of your project.

In order to confirm the harmony of the colors selected, we can send you samples of the lampshades and textile wires material.

For the tailor made creations, we undertake the production within 4 weeks, from the payment reception. For important projects, this deadline can be revised. Please consult us
