WHO ARE WE

DESIGNHEURE is known for its contemporary vision of lighting that combines aesthetics, innovation and functionality, while at the same time developing specialised expertise in lampshades. **DESIGNHEURE** is a prescription brand specialising in project lighting solutions for interior architecture.

OUR EXPERTISE

As a manufacturer, with expertise ranging from design to project delivery, we provide complete expertise and French production in our workshops in Sète. Organised with an in-house design office, a creative studio and manufacturing workshops, our passionate and committed teams have mastered the following skills:

Design: Art direction and design

Design office & Architects : Drawings and project management

Engineering: Development, prototyping, series launch, international electrical certification

Fabrication: Fitting, assembly

Logistics: Packaging, deliveries in France and abroad

OUR OFFER

From simple advice on the choice of the most suitable products, to the 3D integration of our lights into your space, our experts can help you with your interior design projects, including our products from :

- collections in standard colours to suit your space
- customised colours and finishes
- bespoke designs for hotel projects
